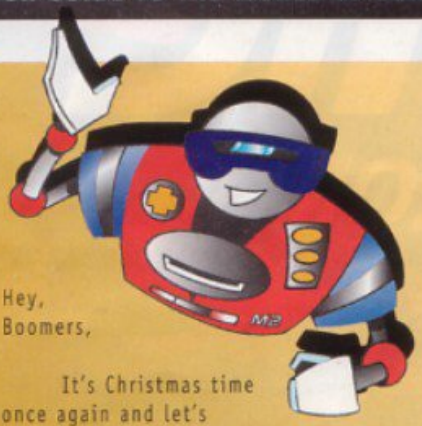
CONTROL ZONE

YOUR GUIDE TO THE WORLD OF SONIC THE COMIC (STC) & SEGA. PRESENTED BY YOUR HOST, MEGADROID.



Hey, Boomers,

It's Christmas time once again and let's face it - what would you rather do - watch the Queen's speech or celebrate in style by reading *STC*'s fab festive issue?

Even the humbug-humes who think they run *STC* are finding it hard not to get excited! There's four levels of tinsel-charged, complete stories to travel through! Level one sets alarm bells jingling for Sonic in **Black Christmas** when he finds an evil elf stalking the Emerald Hill Zone!

Level two features Tails and a terrifying turkey on the rampage in **Going Crackers.** If you can survive that, then be prepared for ghostly goings on at creepy castle Frank N. Stein in **Decap Attack.**

Finally, you'll reach Sonic's World, where **Amy & Tekno** are reunited with old friend, Shortfuse the Cybernik, in the badnik-filled story *Peace of Action*.

As well as featuring your regular heroes and villains from the merry planet Mobius, this issue also contains a cracking Tails Pin-Up, plus your own artwork in the **Jingle Zone**.

I know you're itching to get started, but make sure you join me again next issue when I ring in the New Year with a dazzling new look *STC*.

All will be revealed next issue, but meanwhile, to Boomers everywhere

HAVE A FAIRY LIGHT-FULL CHRISTMAS, & AN *STC* FILLED 1998!

Megadroid

THREE CHEERS FOR THE NEW LOOK, NEW YEAR

The New Year gets off to an explosive start! As from issue120, *STC* is given the complete MOT with a new look that's even funkier than Knuckles dreads!

So check out your fave read in a fortnight for an even sleeker, slicker feel.

HUME ERROR

Apologies to Mick McMahon, cover artist on *STC* 116, who was credited as 'Nigel Dobbyn'. Rest assured, the hume responsible is having to blow into one hundred - and still counting - balloons for the office party festivities (and we've put a pin through all of them!).
